To,
The Principal,
Andaman Law College,
Port Blair,

Subject: - Request to conduct counselling sessions 2022-2023 for admission in ALC-1st year reg-

Dear Sir,

The Akhil Bharatiya Vidyarthi Parishad (ABVP) is the world's largest student body working for the students cause and devoted completely to the nation. In these Islands the ABVP is working since 2000 For the youth and is voicing up for the issues pertaining to the higher education.

It is a matter of great concern that the lone College of Law in these Islands, counselling for admission in 1st year has not been initiated for the session 2022-2023. The merit list of the students was published more than a month ago.

Sir, this unusual delay in admission of 1st year students in Andaman Law College will create undue burden to the students. Moreover, there are approx. 1500 aspirants applied for admission in said college. The aspirants are in intense dilemma due to strange delay in continuing the admission process in Andaman Law College.

So, I would request you to kindly conduct the counselling session 2022-2023 at the earliest so that student's career may not be jeopardized. Release of a press note in this regard may be highly solicited.

Vande Mataram!

In service of Motherland,

Siddhanth Rai Sharma
